3 / SOLUZIONI ESTETICHE

3 aesthetic solutions / 3 solutions esthétiques / 3 ästhetische Lösungen
3 soluciones estéticas / 3 эстетических решения

Depuis toujours Floorgres porte son attention aux exigences du concepteur et, avec la série Buildtech/, elle continue son parcours dans le monde de l'architecture. Cette série est un réceptacle en évolution qui pour l'instant comprend 3 solutions esthétiques et de matières différentes, auxquelles dans le futur viendront s'ajouter d'autres surfaces avec la même philosophie de projet.

02

Cohérence et constance dans la recherche ont permis de développer une approche intuitive, faite d'intérêt et de curiosité envers les diverses manières de vivre. C'est l'interprète d'un style essentiel mais sophistiqué qui se distingue en de multiples combinaisons entre effets et différentes surfaces étudiées pour s'intégrer et devenir protagonistes de projets fascinants.
